 Christine Waring. (On behalf of the Directors of Contact)

Dear Volunteer,

In 2008, Contact was established as a Company limited by Guarantee. This entailed setting up the Company itself and registering it as such with the Charity Commission. These changes in the underlying structure of Contact do not change in any way Contact's commitment to the residents of Selsdon, or the activities and services we offer.

All volunteers who wish to do so are invited to become members of the company. Being a member entitles you to vote at any formal meeting called by the Directors, particularly the Annual General Meeting when the Board of Directors is elected. In this context, membership is akin to being a shareholder in a commercial company. There is a very minor financial commitment - in the (unlikely, we hope) event Contact is wound up because it has become insolvent, each member will be liable for the sum of £1.

If you would like to become a member, please complete and sign the form attached to this letter and return it to the office. You may join at a later date or cancel your membership at any time.

With best wishes,
